

Felipe Arbelaez

Felipe Arbelaez has been with BP since 2006 and has more than 20 years of experience in the industry. He was appointed as Senior Vice President for Zero Carbon Energy in July 2020. In 2016, he became Regional President for Latin America, overseeing all BP's upstream businesses and shareholdings in Brazil, Venezuela, Mexico, and Argentina, and the heads of these countries reported to him. In this region, Felipe was responsible for all E&P access, development, and production operations.
