

Julio Javier Garros

Julio Garros has been the global VP for Business Transformation, Bunge Business Services, and IT since 2019. He was the CFO for Bunge in Brazil starting in 2014, and later he was the CFO for Bunge in South America. He holds a bachelor degree in Financial Accounting and Business and Marketing Management from Universidad Mar Del Prata and is graduated in Finance, Accounting, and Economics from Universidad de Palermo. The executive has already worked as a corporate financial investor at Bunge Cone Sur and has been responsible for the controllership and financial areas of agribusiness in the company.
