

# Mario Lindenhayn

**Mario Lindenhayn** has been the Head of Country for bp in Brazil since 2017. Since December 2019, he has also held the position of executive president for bp Bunge Bioenergia, one of the leading companies in the Brazilian ethanol, sugar, and bioelectricity market. With 30 years of experience in the energy and petrochemical sectors, Mario has held positions in the UK and in Germany with other multinational companies. Under his leadership, bp has been consolidating its expansion in Brazil and pursuing its ambition to become a net zero company by 2050, or sooner.
